St Mary and St Thomas CE Primary School Newsletter

Welcome back to school after the half-term break. We hope you had a restful week and are ready for the fun-filled and festive term ahead!

SAFEGUARDING SPOTLIGHT
As the darker nights draw in, we remind families to prioritise safety during journeys to and from school. Please ensure children are visible with reflective clothing or accessories, stick to well-lit routes and avoid walking alone. If your child walks home, discuss safe routes and check in regularly.

KS1 DOOR
We kindly ask all parents and carers to help keep pathways clear during drop off and pick up times. Please avoid blocking the paved area outside the KS1 door so that children can walk safely without needing to step onto wet or muddy grass.

PANTO BOOKINGS NOW OPEN!
It's that time of year again!! We are happy to announce that our Christmas Pantomime trip this year is to see 'Dick Whittington' at the Theatre Royal. Reception and KS1 are booked to see the show on Monday 15th December and KS2 on Tuesday 16th December. Children will walk to the theatre for the 10:30am showing and will be back in time for lunch. On each afternoon we will be holding a party for the children, so party dress / own clothes are welcome on their Panto day! The trip is now open on Arbor and tickets cost £13. Please pay as soon as possible

CLUBS FOR AUTUMN 2 TERM
Clubs for this half term are now live on class dojo. Places are limited and based on a first come first served basis. All clubs are free and do not run the first and last week of term.

BOOK FAIR
We've had a fantastic response to our school book fair this week — it's been wonderful to see so many families taking part! The fair has been a brilliant opportunity for our children to discover new authors, develop their love of reading, and share in the joy of books together. A huge thank you to our amazing support staff team for helping to run the fair each day — your hard work has made it all possible!

Y5 BIKABILITY
We hope our Year 5 pupils have enjoyed participating in their **Bikeability training sessions** this week. The programme has provided an excellent opportunity for them to develop essential cycling skills and road safety awareness. Through a combination of practical instruction and real-world experience, pupils have gained greater confidence and understanding of how to cycle safely and responsibly. These valuable skills will support their independence and contribute to their overall personal development. There will be 1 further session this Monday for the remaining children consented.

ODD SOCK MONDAY 10TH NOVEMBER
To highlight and support Anti-bullying week, children are welcome to wear odd socks with their uniform this coming Monday 10th November.

NURSERY STAY AND PLAY
Our Nursery stay and play session take place next Wednesday 12th November. Please see Class Dojo's for more info.

Y3 PARENT INSIGHT
All Y3 parents are invited to join us for Y3 Parent Insight next Wednesday 12th November at 9am in the school hall. This is a great chance to see what and how your child is learning in school.

All Y5 parents are invited to join us for Y5 Parent Insight next Thursday 13th November at 9am in the school hall. Again this is a wonderful chance to see your child's learnings in school.

Y6 FAMILY LEARNING
All Y6 families are invited to attend a family learning session next Thursday 13th November at 2:15pm. Please come if you are able.

CHILDREN IN NEED FRIDAY 14TH NOVEMBER
Next Friday 14th November is Children in Need! To support we are inviting children to come into school in their own clothes in exchange for a £1 donation towards the charity.

IMPORTANT REMINDER: AFTERSCHOOL AND BREAKFAST CLUB BOOKINGS
Please ensure that your child is booked onto Afterschool Club (ASC) or Breakfast Club before they attend. This is essential so that we can make sure there are enough staff members to supervise all children safely. Booking in advance also helps us avoid unnecessary phone calls home and prevents any worry or confusion for your child if no parent arrives to collect them when they were expected to be in ASC.
If your child is booked into ASC, a member of staff will collect them directly from their classroom at the end of the school day. This helps avoid disruption and ensures a smooth, reassuring transition for your child.
Thank you for your cooperation and support.

HEADLICE AND WORMS
We have had a few cases of headlice reported to us recently. Please regularly check your child's hair and treat if required. We have also had a report of worms- please encourage hand hygiene particularly under finger nails. Thank you for your support.

POPPY APPEAL
We are still selling poppies and poppy merchandise each afternoon in class afternoon in aid of the Royal British Legion. If your child wishes to purchase something and make a donation then please send them into school with a small amount of money.

PARKING
Parents and Carers who drive to carefully read and follow the signage around the school, including access instructions and the yellow road markings. Please note: The road directly in front of the school is restricted to pedestrian and cycle access only during the following times: 8:00–9:30am and 2:00–4:00pm, Monday to Friday. This means that no vehicles are permitted to drive along this road during these hours. Your cooperation helps ensure the **safety** of our children and the smooth running of the school day.

RECEPTION 2026
All of our current nursery cohort go up to reception next September 2026. The application to apply for their place is now open and the closing date for you to submit your child's application is 15 January 2026. Please click the link above next Monday and follow the steps to apply for their primary school place.
You will be notified on 16 April 2026 confirming your child's school place.
Please note, your child is sadly not guaranteed a place in our school reception despite attending our nursery. This is a council and admissions decision not the schools. If we could, we would undoubtedly have all of our nursery children continue their St Mary and St Thomas journey and attend our reception class.
Please do apply as soon as you are able and definitely before the 15th January 2026

FAMILY OF FAITH

A reflection from… Mr Pow

As we return to school after the break, there's a renewed sense of energy and excitement in the air. The darker evening bring with them the warmth of seasonal celebrations. These celebrations offer us a rich opportunities to come together, share joy and create lasting memories. As this will be my first 'festive period' at St Mary and St Thomas CE Primary School, I am looking forward to joining in the festivities for the first time, just like many of our Nursery and Reception children. Many of you will have already had the pleasure of previously joining in these celebrations, which I am sure you are looking forward to creating wonderful memories again!

Our **Christian value** focus this half term is…

Joy

This week we launched our Christian Value of Joy. We reflected on the parable of 'The Lost Sheep' and also enjoyed Year 4 leading worship. They certainly spread ***joy-*** *particularly with their choice of song, which we have added to our worship song track list.*

Sunday Services
Parish Mass: 9.30am – 10.30am
Evening prayer: 4.30pm

"Seeking to love God and neighbour in the community of which we are part."

BEHAVIOUR MATTERS!

Ready, Respectful, Resilient

Mr Pow's Golden Book

Each week, staff write the names of children who have gone above and beyond in Mr Pow's Golden Book. It is so exciting when the names and reasons are read out in our celebration assembly!

It may be that a child has been ready to learn every moment of every day. Maybe they have been incredibly respectful to a visitor or a friend. Or maybe they have been resilient in a way that has *wowed* the staff!

Class Dojos

Children can receive Dojo points for being ready, respectful and resilient throughout the school day. They receive 5 Dojos if they read five times, which they should do every single week.

Each child has their own Dojo character and milestones are celebrated with certificates and prizes each time they meet one.

We celebrate milestones such as 100, 200 and 300 dojos in assembly too!

Moments Matter, Attendance Counts!

Our school day starts at 8.45am; that's when the doors open!

Children should arrive at school on time, so they don't miss any learning! Regularly missing lessons can have a negative impact on wellbeing and on your academic achievement too.

Being on time is such an important skill and sets you up for a life of success and positive wellbeing!

Children should be in school EVERY DAY… unless you're poorly. Every day counts!

Every minute in school is a learning minute. The research tells us that children who are in school every day achieve more, and their wellbeing is better too!

Please let school know if you'll be absent before 9.15am or we'll have to contact you to check in.

CANNABIS EDIBLES:

INFORMATION AND ADVICE FOR CHILDREN, PARENTS AND GUARDIANS

MERSEYSIDE POLICE

PROJECT MEDUSA
TACKLING COUNTY LINES

WHAT ARE CANNABIS EDIBLES?

Laced with a mood altering ingredient from cannabis, cannabis edibles are an illegal and really strong 'sweet' aimed at young people/teenagers. They come in the form of sweets, chocolate and drinks. Although cannabis edibles contain an element of cannabis, they do not have the smell or appearance of cannabis. Instead, they look and smell like a shop bought item but are much stronger than other cannabis products.

PURCHASE AND SUPPLY

Due to being illegal in the UK, cannabis edibles are generally purchased through networks such as social media outlets including TikTok, Snapchat, and Instagram. It is because of these modern communication methods for supply and purchase, young people are able to access cannabis edibles at the touch of a button.

CAN YOU IDENTIFY CANNABIS EDIBLES?

Cannabis edibles can be difficult to identify. Sometimes the packaging differs slightly from shop bought items. Differences are in the form of appearance, spelling or poor quality packaging. Below are examples of shop bought items and how they compare to cannabis edibles.

Shop bought items		Purchased cannabis edibles
	Change of name Removal of additional logos Different font for text	
	Change of name Removal of additional text Amended logo	
	Change of logo Removal of additional text Change of colour scheme	
	Small change to title Decreased package quality Details removed	
	Change in colour scheme Change of package type Poor quality packaging	

THE EFFECTS OF CANNABIS EDIBLES

Cannabis edibles are much stronger than other cannabis products. Unlike smoked cannabis, swallowed cannabis is much easier to be consumed but takes longer to take effect. Young people are likely to eat too many due to the delayed effect. Eating one sweet is equivalent to smoking one cannabis joint.

Comparison point	Cannabis edibles	Cannabis joint
THC Strength	10-15mg per sweet	12mg
Time of impact	30-60 minutes	10-15 seconds
Length of impact	Up to three hours	1-2 hours

Short term effects

- Paranoia
- Anxiety
- Hallucinations
- Dry mouth
- Nausea
- Disorientation, confusion
- Dry, red eyes
- Changes in visual perception
- Increased appetite and thirst
- Changes in perception of time

Long term effects

- Changes in perception of time
- Loss of short-term memory
- Poor educational outcome
- Dependency
- Lack of motivation
- Poor sleep
- Longer term increased anxiety
- Increased risk of developing mental health illness
- Problems with thinking and understanding

My child has taken cannabis edibles.
WHAT DO I DO?

Stay calm and try not to panic.
Assess the situation and gather the facts.

What information would be good to know?

It may not always be possible but there are pieces of information which would be beneficial to know if medical professionals are required. This information includes:

1. Details of the child (age, name, medical history etc.)
2. What actually happened? Did the child digest cannabis edibles or is it believed to have happened?
3. What type of edible were they?
4. Retain any packaging
5. When were the edibles consumed?
6. Has your child consumed any other substances/alcohol?

Is the child conscious and responsive but not themselves?

If the chid is conscious and responsive but not themselves as a result of cannabis edibles, gather the facts and **telephone 111 for advice and additional information.**

Is the child coherent, conscious and responsive?

If the child is stable, speak to your child at an appropriate time.

⚠ **If the family pet accidentally eats cannabis edibles seek veterinary treatment.**

⚠ **Is speech slurred?**
Is the pulse rate elevated?
Are they disorientated, unresponsive or unconscious?

Call 999 without delay.

If a person is unconscious but breathing and has no other life-threatening conditions, they should be placed in the recovery position following the 9 steps below:

1. With the person lying on their back, kneel on the floor at their side.
2. Extend the arm nearest you at a right angle to their body with their palm facing up.
3. Take their other arm and fold it so the back of their hand rests on the cheek closest to you, and hold it in place.
4. Use your free hand to bend the person's knee farthest from you to a right angle.
5. Carefully roll the person onto their side by pulling on the bent knee.
6. Ensure the bent arm is supporting the head.
7. Open their airway by gently tilting their head back and lifting their chin.
8. Check that nothing is blocking their airway.
9. Stay with the person and monitor their condition until help arrives
